

Build a bird mix and match booklet. Included is an owl, eagle and Stellar jay

1 Color the three birds before you cut.
2 The booklet will measure 5 ¼ inches by 7 inches. Cut all three pages using the outer labeled cut lines.
3 Staple all three pages together on the left side with the 3 lines.
4 Fold all three pages together using the solid fold line.
5 Cut the two inner dotted lines through each picture and stop at the solid fold line.
6 You now have a booklet with three segments; head, body and feet to mix and match.
